

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the back of a black mobile phone and its accessories. The phone is on the left, with a black cover and a small screen. To its right are a black charging cable, a silver metal charger, and a gold key. A black ruler with white markings is placed horizontally below the items for scale. The background is a solid blue surface.
EUT View 2	 A photograph showing the front of the same black mobile phone. The phone has a large screen and a small speaker at the bottom. A black ruler with white markings is placed horizontally below the phone for scale. The background is a solid blue surface.

EUT View 3	 A black rectangular electronic unit (EUT) is shown vertically. It features a control knob on the upper half and a small indicator light below it. The unit is placed next to a ruler for scale. The ruler has markings in millimeters and centimeters. The background is a solid blue color.
EUT View 4	 A black rectangular electronic unit (EUT) is shown horizontally. It features a control knob on the upper half and a small indicator light below it. The unit is placed next to a ruler for scale. The ruler has markings in millimeters and centimeters. The background is a solid blue color.

EUT View 6

EUT View 7	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device has a small black button on the left side, a small circular indicator light in the center, and a larger black knob on the right side. A barcode sticker is visible on the bottom right corner of the device.
EUT View 8	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device has a circular silver-colored component at the top, a small rectangular window in the middle, and a yellow label with the word "KOPB" and some other markings at the bottom.

EUT View 9	 A photograph showing the front view of a black handheld electronic device. The device has a rectangular screen at the top, a circular button below it, and a speaker grille at the bottom. A black cable with a white connector is attached to the side. A black ruler with white markings is placed vertically to the left of the device for scale.
EUT View 10	 A photograph showing the side view of the same black handheld electronic device. The device is oriented horizontally. A black cable with a white connector is attached to the top. A black ruler with white markings is placed vertically to the left of the device for scale.
