

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a small electronic component, a USB-to-UART bridge module, mounted on a blue printed circuit board (PCB). The component is a black integrated circuit (IC) with a USB Type-A connector on one end and a 25-pin D-sub connector on the other. The PCB is placed on a blue textured surface. A black ruler with white markings is visible at the bottom and left, showing measurements in millimeters (mm) and centimeters (cm). The ruler indicates the component is approximately 40 mm wide and 25 mm high.
Solder Board-Component View 3	 A photograph of the same electronic component from a different angle, showing the underside of the PCB. The component is a black integrated circuit (IC) with a USB Type-A connector on one end and a 25-pin D-sub connector on the other. The PCB is placed on a blue textured surface. A black ruler with white markings is visible at the bottom and left, showing measurements in millimeters (mm) and centimeters (cm). The ruler indicates the component is approximately 40 mm wide and 25 mm high.
