Date: November 25th, 2020

To: Federal Communications Commission
45 L Street NE
Washington, DC 20554

FCC ID: 2ASM6-CXWA

Integrated RF Module: Texas Instruments CC2640R2FRGZR wireless MCU

To whom it may concern:

This letter is to confirm that Conductix, Inc (d.b.a. Conductix-Wampfler) has integrated an FCC CFR47 Part 15 compliant RF module into our host product, under the VersaReel Blue product family. Conductix has and will maintain complete control over all product integrations and installations. The final host product has been tested for spurious emissions and we have ensured that the data to the module is buffered in all applications.

Should you have any questions or commented regarding this declaration, please contact us.

Sincerely,

Hau Tran
