Front side

Left side

Additional warning label "For indoor use only!" on the top side¹

Main Label detailed²

¹ The picture shows the Antenna A. The same will be applied on the Antenna B.

² The main ID label for Antenna Module (B) is shown. The main ID label for Antenna A is similar with the only difference that SN will be different and the name will be "ELOshield Antenna module (A)" in place of "ELOshield Antenna module (B)"
