

Model difference letter

2025.06.05

Dear MET Reviewer,

This is a new Application from [Elettromedia s.p.a.](#)

Model No.:[HMR 18,HMR 18D](#)

Use [HMR 18](#) for all tests.Only "HMR 18" model has been tested, and their circuit design,layout, components used and internal wiring are the same, but there are some differences in appearance.

Models	Product appearance	different
HMR 18		As shown in the left picture: the control knobs of the products are different, and the model is HMR 18. The knob is pure black in color and large in size.
HMR 18D		Model HMR 18D knob is black with silver plating, and the size is smaller.

Thank you for your cooperation!

Yours sincerely,

Signatory:

A handwritten signature in black ink, appearing to read 'Maurizio Riccobelli'.
