C.C.: UL Verification Services
Certification Division

Subject: Requesting Class II permissive change for FCC ID : **2ASXC-TMO-NBT-01**

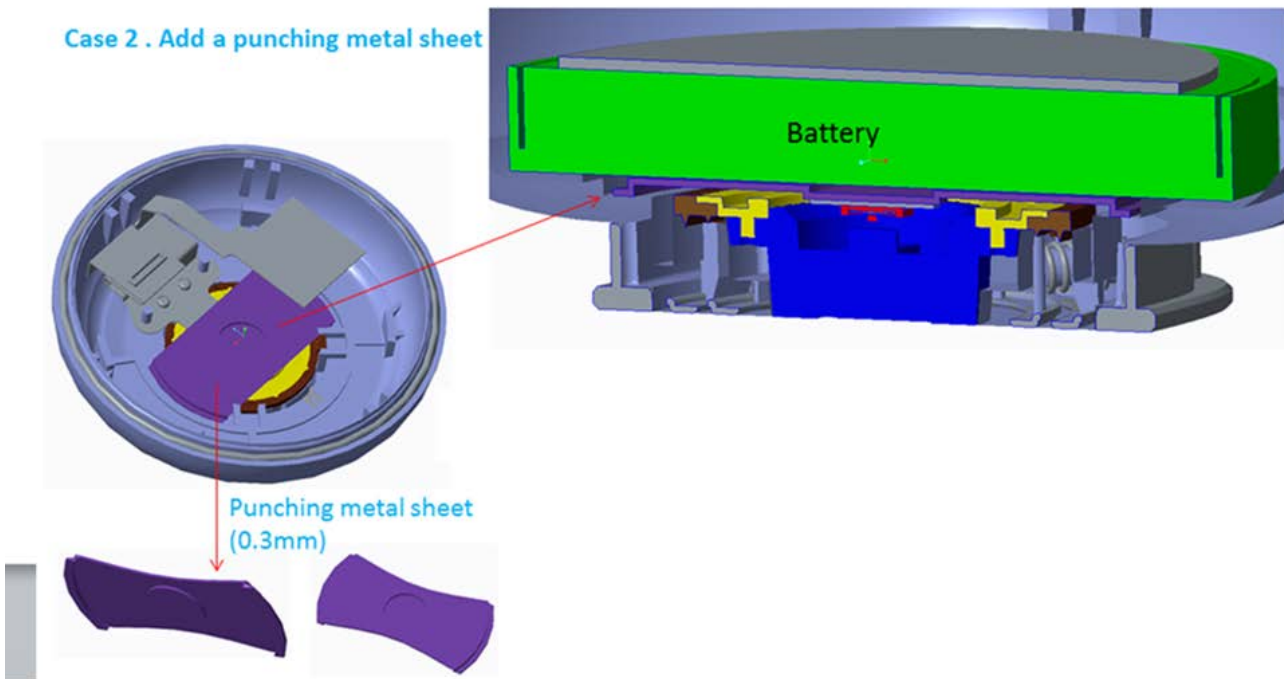

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: **2ASXC-TMO-NBT-01**

add a metal sheet for button as below shows :

Add a Metal Sheet for Button

Case 2 . Add a punching metal sheet

The proposed change does not affect the conducted output power or antenna gain therefore testing was limited to just radiated spurious emissions. RF exposure was not reassessed because output power remains unchanged

Best Regards
