

To Whom It May Concern,

We would like to request the movement of the FCC ID and IC ID into the User's Manual for this product based on the details provided below.

Product Name: B01-007A (Express iQ, Pulse Mouse iQ, Pulse Rat iQ, 24/7 iQ, Landscape iQ)

FCC Grantee Code: 2ASYW, Product Code: B01007

ISED Company Number: 24934, Unique Product Number B01007

This product is installed in environments of all climates with various pest/rodents (mice, rats, insects, lizards, snakes, toads, etc.) entering the bait stations. Product labels quickly deteriorate in these environments. As the product requires a smartphone application to configure, we propose e-labelling for the product.

Pursuant to FCC § 2.935 and ISED RSS-Gen Annex B, we would propose moving the product identifiers into the User's Manual and Product Packaging instead of marking the product directly. Thank you in advance for your consideration.

Date: Jan 14, 2022

Signed:

A handwritten signature in black ink that reads "Joe Triventi".
