These documents contain detailed system and equipment descriptions and related
information about the product, which < Teracube Inc > considers to be proprietary,
confidential, and a custom design and otherwise, would not release to the general
public. Since this design is a basis from which future technological products will evolve,
< Teracube Inc > feels that this information would be of benefit to its competitors, and that
the disclosure of the information in these documents would give our competitors an unfair
advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Sharad Mittal / CEO
