

FCC ID Label and label location

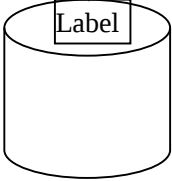

Size: 20*16mm

Bluetooth Speaker

Model: W7

Voltage: 5V DC

FCC ID: 2ATAE-0W7

Label

The diagram shows a cylindrical Bluetooth speaker. A small rectangular label is affixed to the top surface of the speaker. A callout line extends from the label to a larger rounded rectangular box containing the following text: 'Bluetooth Speaker', 'Model: W7', 'Voltage: 5V DC', and 'FCC ID: 2ATAE-0W7'. Above this callout box, the text 'Size: 20*16mm' is displayed.
