Certification Application FCC ID: 2ATFX-102540

To whom it may concern

Pursuant to Sections 0.457(d) and 0.459 of CFR 47, Disruptive Technologies Research AS request that the following information, provided to support the FCC application for the Sensor RF module 2AA (US), FCC ID: 2ATFX-102540 to be held permanently confidential:

- Schematics
- Block Diagrams
- Parts List
- Operational Description

The above material contains detailed descriptions of a new innovatype of device. It contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors, in particular considered that the applicant is a young company establishing itself in the market. This information should not be available for public disclosure for an indefinite period of time.

Yours faithfully,
