01/Precautions

Please read the user manual carefully before use and keep it for future reference.

Warning against danger

1. Please keep the product away from water or other liquids as it can cause electric shock or damage to the product.
2. Do not touch water or other liquids orflammable objects to prevent damage to the product or play with the product. Do not allow any children to clean and maintain the product.
3. Please do not use any inflammable materials such as pesticides or perfume around the product.

READ AND SAVE THESE INSTRUCTIONS.

WARNING: TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS, READ AND FOLLOW ALL INSTRUCTIONS.

AFTER READING THIS MANUAL, PLEASE PASS IT ON TO REGULATORS OR OTHER PERSONS WHO WILL USE THIS PRODUCT.

WARNING! TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS, DO NOT USE THIS PRODUCT IF IT HAS BEEN RECOMMENDED BY THE MANUFACTURER TO BE DISCARDED.

This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit into a polarized outlet only. If it does not fit, do not force it, but contact a qualified electrician. Do not attempt to defeat this safety feature.

Warning for use

1. Please check whether the voltage for the product is consistent with the local power supply before connecting the product to the power supply.

2. If the power cord is damaged, it must be replaced by an experienced or specially qualified person to prevent hazards.

3. Please avoid using the product if the power plug, power supply or power cord is damaged.

4. Do not block the air inlet and outlet, for example, do not place objects on the air outlet or in front of the air inlet.

5. Do not allow any foreign matters to get inside the product through the air inlet.

6. The product must not be disassembled or repaired without relevant experience and skills (including children) unless they are informed of the potential risks and hazards involved in the product. Do not allow any children to clean and play with the product.

7. Please do not allow any children to clean and maintain the product.

8. Please do not use any inflammable materials such as pesticides or perfume around the product.

9. Please do not use any inflammable materials such as pesticides or perfume around the product.

10. Please do not use any inflammable materials such as pesticides or perfume around the product.

11. Please do not use any inflammable materials such as pesticides or perfume around the product.

12. Please do not use any inflammable materials such as pesticides or perfume around the product.

13. Please do not use any inflammable materials such as pesticides or perfume around the product.

14. Please do not use any inflammable materials such as pesticides or perfume around the product.

15. Please do not use any inflammable materials such as pesticides or perfume around the product.

16. Please do not use any inflammable materials such as pesticides or perfume around the product.

17. Please do not use any inflammable materials such as pesticides or perfume around the product.

18. Please do not use any inflammable materials such as pesticides or perfume around the product.

19. Please do not use any inflammable materials such as pesticides or perfume around the product.

20. Please do not use any inflammable materials such as pesticides or perfume around the product.

21. Please do not use any inflammable materials such as pesticides or perfume around the product.

22. Please do not use any inflammable materials such as pesticides or perfume around the product.

23. Please do not use any inflammable materials such as pesticides or perfume around the product.

24. Please do not use any inflammable materials such as pesticides or perfume around the product.

25. Please do not use any inflammable materials such as pesticides or perfume around the product.

26. Please do not use any inflammable materials such as pesticides or perfume around the product.

27. Please do not use any inflammable materials such as pesticides or perfume around the product.

28. Please do not use any inflammable materials such as pesticides or perfume around the product.

29. Please do not use any inflammable materials such as pesticides or perfume around the product.

30. Please do not use any inflammable materials such as pesticides or perfume around the product.

31. Please do not use any inflammable materials such as pesticides or perfume around the product.

32. Please do not use any inflammable materials such as pesticides or perfume around the product.

33. Please do not use any inflammable materials such as pesticides or perfume around the product.

34. Please do not use any inflammable materials such as pesticides or perfume around the product.

35. Please do not use any inflammable materials such as pesticides or perfume around the product.

36. Please do not use any inflammable materials such as pesticides or perfume around the product.

37. Please do not use any inflammable materials such as pesticides or perfume around the product.

38. Please do not use any inflammable materials such as pesticides or perfume around the product.

39. Please do not use any inflammable materials such as pesticides or perfume around the product.

40. Please do not use any inflammable materials such as pesticides or perfume around the product.

41. Please do not use any inflammable materials such as pesticides or perfume around the product.

42. Please do not use any inflammable materials such as pesticides or perfume around the product.
