SUBJECT: Change of ID

To Whom It May Concern:

This letter grants authorization for representative of Somatix Incorporated to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

The original certification FCC ID: SQG-EWB1 will remain valid.

This authorization applies to the Laird Connectivity LLC model Sterling-EWB, FCC ID: SQG-EWB1. The original grant date was 7/22/2019.

Somatix Incorporated will be marketing the Sterling-EWB module as a module under a new FCC Identifier. Somatix Incorporated's grantee code is 2ATLI and proposes that it be issued FCC Identifier 2ATLI-SB02 for the module.

Laird Connectivity has no control or responsibility with regards to the installation and use of the SB02 module in the products outlined by Somatix Incorporated. As a result, Somatix Incorporated takes ownership and responsibility for compliance of their products which include the SB02 module.

The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Any confidential information regarding the SQG-EWB1 module shared to various test and certification firms shall remain confidential amongst the parties involved and not be shared to other third parties (including Somatix Incorporated) unless authorized.

Sincerely,

A handwritten signature of Brian Petted is shown over a grey rectangular background. The signature is fluid and cursive. In the bottom right corner of the background, there is a small, faint logo for 'Laird Connectivity'.
