4. EUT Constructional Details

1. SAR measurement System

2. Photographs of Tissue Simulate Liquid

Photo 1: Tissue Simulant Liquid for Head 1900

3. Photographs of EUT test position

Photo 2: Head 0mm	Photo 3: Head 0mm
 A photograph showing a close-up of a black, complex mechanical fixture or probe assembly. A small white label with handwritten text is attached to the side of the fixture. The background is a light-colored, possibly metallic, surface.	 A photograph showing a different angle of the same black mechanical fixture or probe assembly. The fixture is positioned against a light-colored background, and its various components and adjustment knobs are visible.

4. EUT Constructional Details
