

Test Positions

Left Cheek	Left Tilt 15 Degree
	
Right Cheek	Right Tilt 15 Degree
	
Front Side (Separation distance of 10mm)	Back Side (Separation distance of 10mm)
	

Left Side (Separation distance of 10mm)	Right Side (Separation distance of 10mm)
 A photograph showing the left side of a black electronic device, possibly a mobile phone, held in a white and green test fixture. The device has 'EM' and a logo on its back. The fixture is positioned under a white ceiling structure. The background shows a laboratory setting with white containers and metal shelving.	 A photograph showing the right side of the same black electronic device in the test fixture. A thin white line is visible across the device's back. The background is the same laboratory setting.
Top Side (Separation distance of 10mm)	Bottom Side (Separation distance of 10mm)
 A photograph showing the top side of the black electronic device in the test fixture. The device is held by a white and green fixture. The background shows the laboratory environment.	 A photograph showing the bottom side of the black electronic device in the test fixture. The device is held by a white and green fixture. The background shows the laboratory environment.
