**Subject: Change in FCC ID Authorization letter**

To Whom it may concern.

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number **R17FN990A40** original grant date of 12/19/2022, for its 5G NR radio module which carries the Telit Communications S.p.A. model name **FN990A40**.

This letter will grant permission on a one-time basis to **Skydio, Inc.**, a company in the U.S.A., to apply for a Change of Identification for the above mentioned radio module.

Telit Communications S.p.A. understands that Skydio, Inc must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the Skydio, Inc., 5G NR module, FCC identifier **2ATQRA40**. Telit authorizes FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the FN990A40 to Skydio, Inc. unmodified and equivalent to the originally certified unit. The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Should there be any question, please feel free to contact us.

Your Sincerely,

---
