When the device is connected, tap the left or right side earphone's trackpad 3 times to switch the game mode or music mode

### F&Q

1.问:手机无法连接耳机?

答:将手机上配对的G20删除，再进行配对连接即可。

2.问:怎么听歌/通话没有声音?

答:安卓手机在手机连接记录的右边有一个设置图标，点击进入，将两个音频选项取消勾选再重新选择，苹果手机在设置通用辅助，功能进入音频通话方式，选择自动，如果本来就是自动，就更为其他选项，然后在改为自动，如未恢复，删除配对记录重新连接尝试。

1. Q: If unable to connect the headset to the phone?

Answer: Delete the paired G20 on the phone, and try pairing again.

2. Q: Why is there no sound when listening to songs/calls?

Answer: Android phones have a setting icon on the right side of the phone connection record. Click to enter, uncheck the two audio options

and select again. When setting the general auxiliary function of the Apple phone, enter the audio call mode and select automatic. If it is automatic, there are more other options, and then change to automatic, if not restored, delete the pairing record and try to connect again.

### 注意事项

Precautions

1.请使用正规来源有安全认证的充电器进行充电

2.使用耳机时适量的调节音量大小以免损伤听觉

3.正确使用产品避免高空掉落或重度挤压

4.儿童请在成人陪同下使用避免误食

5.远离高温或潮湿等极端环境

6.请勿拆卸本产品

1. Please use a charger with safety certification from a regular source for charging.

2. Adjust the volume appropriately when using headphones to avoid hearing damage.

3. Use the product correctly to avoid falling or heavy squeezing

4. Children should use it when accompanied by an adult to avoid accidental ingestion.

5. Keep away from extreme environments such as high temperature or humidity.

6. Do not disassemble this product.

### 保修卡

Warranty Card

本保修卡是申请保修的凭证，请配合销售商填写并妥善保管!

This card is a certificate for applying for a warranty card. Please fill it out in cooperation with the seller and keep it properly for future use.

**FCC Caution:**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
