

HP-1 Quickstart Guide

HP-1 Headphones

Important Safety Information

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with a dry cloth
7. Do not block any openings, such as the transducer openings in the earcups. Keep all openings free of dust or other material.
8. Do not use or store near heat sources such as naked flames, radiators, heat registers, stoves, or other apparatus that produce heat.
9. Prevent the audio and power cords from being pinched, particularly near the connectors.
10. Use only with attachments and/or accessories recommended by Kali Audio.
11. Refer all servicing to Kali Audio or one of Kali Audio's distributors. Servicing is required when:
 - A. The headphone is damaged in any way.
 - B. Liquid or other objects have fallen into the headphone.
 - C. The headphone has been exposed to rain or moisture.
 - D. The headphone does not operate normally.
 - E. The headphone has been damaged in a fall.
12. The headphone shall not be exposed to dripping or splashing
13. The headphone is made to be used in a moderate climate. Do not expose to extremely high/low temperatures, or to extreme humidity.
14. High sound pressure levels in excess of 85 dB can cause hearing damage and/or loss. Do not expose yourself to high sound pressure levels.
15. Changes or modifications not specifically approved by Kali Audio, Inc. could void the user's warranty and their authority to operate this equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

* RF warning for Portable device: The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to thea following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS)d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes :

(1) Cet appareil ne doit pas causer d'interférences.

(2) Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

avertissements radio pour les appareils portables :

L'équipement a été évalué et satisfait aux exigences générales d'exposition par radiofréquence. L'appareil peut être utilisé sans restriction dans des conditions d'exposition portables.

Meets IMDA Requirements.

FCC ID: 2ATSD-HP-1 IC: 25195-HP1

CAN ICES-3(B)/NMB-3(B)

For Europe: Frequency band of operation 2400 to 2483.5 MHz. Maximum transmit power less than 20 dBm EIRP.

EU COMPLIANCE INFORMATION: bearing the CE Mark are in compliance with the following:

- ◊ European Union Low Voltage Directive 2014/35/EU
- ◊ European Union EMC Directive 2014/30/EU
- ◊ European Union Restriction of Hazardous Substances Recast (RoHS2) Directive 2011/65/EU
- ◊ European Union Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Directive 1907/2006

WEEE NOTICE: This appliance is labeled in accordance with European Directive 2012/19/EU concerning waste of electrical and electronic equipment (WEEE). This label indicates that this product should not be disposed of with household waste. It should be deposited at an appropriate facility to enable recovery and recycling.
