

1. PLECO SENSOR UNIT (SU) LABEL

The Sensor Unit (SU) will have a physical adhesive label displaying regulatory information. The label will be located inside the lid of the Battery Enclosure as shown in Figure 1. The size of the label will be 0.75 x 0.75 inches.

Fig. 1: SU regulatory label location and size. Label size: 0.75 by 0.75 inch.

Figure 2 shows the SU label.
