Model Name:ZRBT-01

bluetooth beanie hat

Hi dear customer

How are you today? Hope you are fine.

Many thanks for your kind support for us .it serves me great pleasure to have you as my valued customer, i am so happy that you got your purchase now.

Firstly, we beg for your time to check if the neck warmer is with you or not, if it was missed, kindly please contact us immediately, we would offer you a good solution, thank you for your time in advance.

Secondly, your Bluetooth beanie is brand new and unused, it's been inspected carefully to promise it is in good condition before being shipped. But the Bluetooth headphone is an electronic gadget, fragile, it might be damaged by rough handling during shipping or encounter other unpredictability , If you have any problems with your headphone, could you please contact us for a full refund or replacement before leaving negative feedback or bad review? we will send you a free replacement or a refund within 12 hours, we want every customer to be 100% satisfied with our products and services, this is our guarantee, as your satisfaction is our first priority, we will grow up only with your good suggestion, Our company is committed to provide high quality products and good customer service to our valued customers, we value our customer very much !

Lastly, kindly please read carefully the important reminders as below:

1. The two speakers are adjustable and removable, if the beanie doesn't fit your head, please adjust them as per your head size, the beanie fits most heads.
2. The beanie is washable, please pull out the module and speakers before washing.
3. The hole inside the beanie is designed to pull out the module and speakers for washing, it's not a broken hole.
4. Please charge it via the USB cable for 2.5 hours first before using it.
5. The headphone should be put on right ear and the speakers should be put on left ear.

Again, thank you very much for shopping with us and wish you all the best.

## Instruction

### How to play music:

1. To turn on the headphone, please press and hold the middle button until the indicator lights up, then the indicator flashes red and blue alternatively to start pairing.
2. Turn to the "SETTINGS" on your cell phone and then turn on the "BLUETOOTH", the headphone will start searching bluetooth device named "BT-01"(It usually takes a few seconds to search based on your cell phone signal, if failed, please try it again by turning off the "BLUETOOTH" and turning it on again ). Please be aware that it can connect Bluetooth in one device at one time, please make sure disconnect the previous Bluetooth device before connecting a new device.
3. Press and hold the "-" and "+" button to volume down and volume up respectively, please be noted that, if the volume is not loud enough to you(as different customer has different volume requirement),please volume up your cell phone as well.
4. Press quickly the "-" and "+" button to previous and next songs.

### How to decline/accept calling:

1. When a calling comes, press quickly the middle button to accept.
2. When a calling comes, press and hold the middle button for 3 seconds to decline(no more than 3s,otherwise headphone will be turned off).

3.When on the phone, press and hold the middle button for 3 seconds to switch to mobile device(no more than 3s,otherwise headphone will be turned off),press and hold the middle button for 3 seconds again to turn back to headphone.
