To Whom It May Concern,

Pursuant to the provisions of the Commission's rules Title 47 Sections §0.457 and §0.459, TWTG R&D B.V. respectfully requests to withhold the following documents as confidential from public disclosure indefinitely:

- Block diagrams;
- Schematic diagrams;
- Bill of material;
- Operational description.

These documents contain detailed system descriptions and are considered as proprietary information regarding the equipment. The public disclosure of these documents might be harmful to our company and would give competitors an unfair advantage in the market.

To ensure that business sensitive information remains confidential until the marketing of the equipment, we would like to request short term confidentiality for the following documents until the date mentioned in form 731:

- External photos;
- Internal photos;
- User manuals;
- Test setup photos.

Sincerely,
