FCC Class II Permissive Change Request Letter

December 27, 2021

To FCC:

RE: FCC Permissive II Change Request for Company: Digi International FCC ID: 2ATZ3-SCMB100

We are submitting an application for a class II permissive change to the FCC approval of the Company name: **Digi International**, product description: **SCMB-100 Bluetooth LE module (FCC: 2ATZ3-SCMB100**, Original Grant Date: **09/18/2020**). The transmitter module itself has not changed. Here are the changes:

We wish to add a new approved co-location condition. The data included with this application demonstrates that the module can be safely co-located with both the **SZ9TM-ZP05X** and **XMR201906EG21G** modules simultaneously and that this combination of three transmitters remains compliant with all applicable Part 15 rules.

Sincerely,

Name: Steve Habermas
Title: Chief Technology Officer
