

# Walkbase AT-1

*Installation manual v. 1.0*

16.04.2021

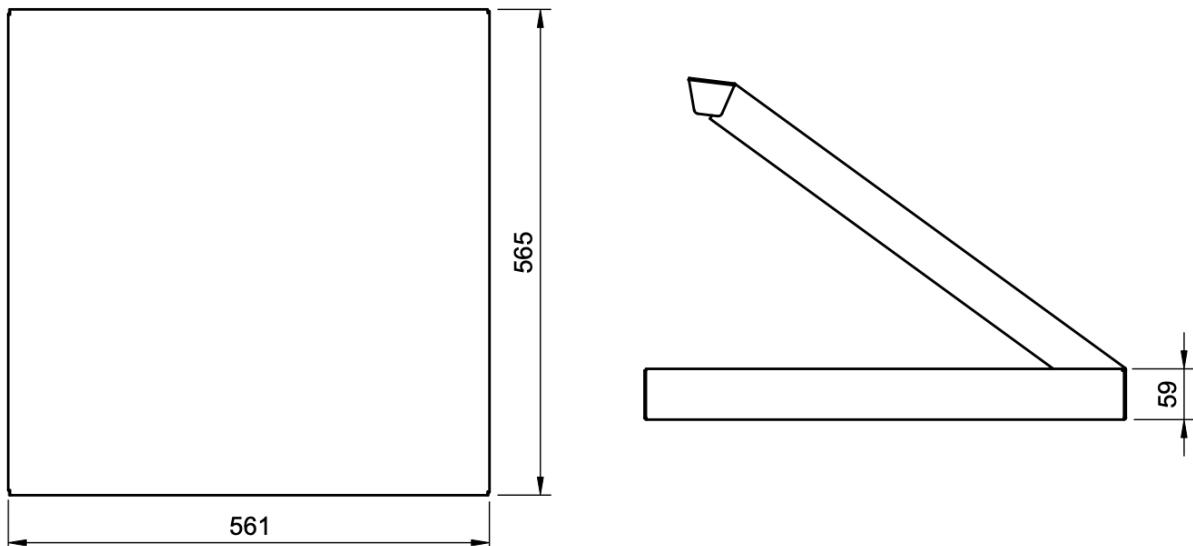

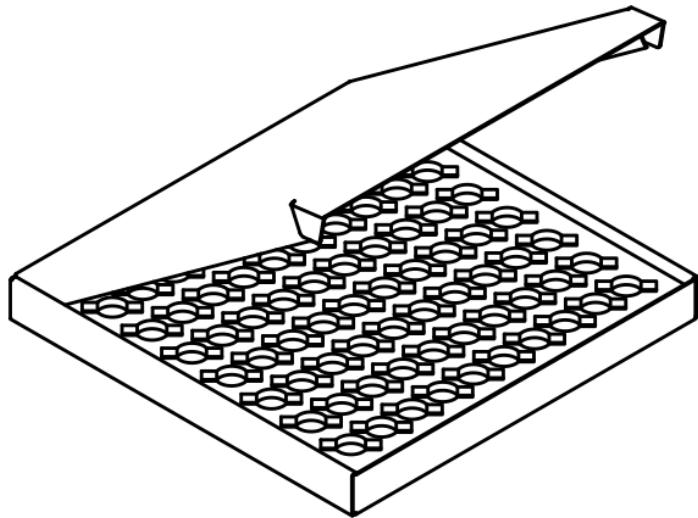

## Revision history

Version number	Changes	Date	Person
1.0	First release	16 Apr 2021	VK

## Specifications

HARDWARE SPECIFICATIONS	
Model	AT-1
Dimensions	39 x 39 x 11 mm
Weight	10 g
IP protection class	IP67 (TBC)
Power supply	CR2032 Battery
Operating frequency range	2.402-2.480GHz
Bluetooth standard	Bluetooth 5.1
Power consumption	<30 mW
Certification	CE, FCC, RoHS
Working temperature	0 - 50 °C
Housing material	PC
Package dimensions	561 x 565 x 59 mm
Package weight	TBD
Package contents	160x Walkbase AT-1 Asset tag

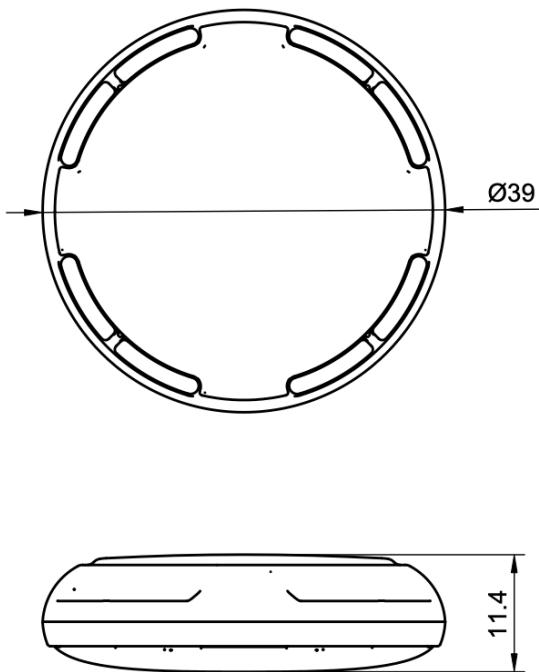

## Package dimensions

Top view and side view

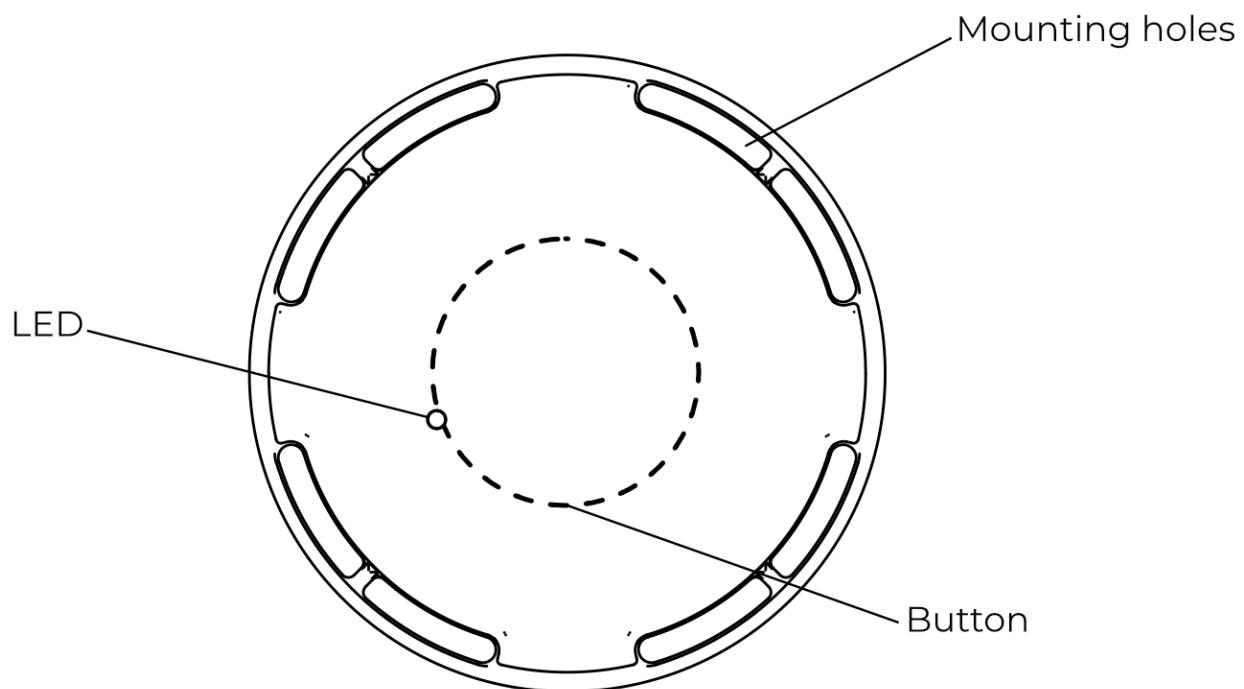

All dimensions are in millimeters (mm).

## Dimensions

All dimensions are in millimeters (mm).

## Features

# Installation

Activating the tag for the first time.

1. To activate the tag for the first time, press the button firmly until the LED lights up.
2. After the button has been pressed at least once, the tag is ready to be configured in the Walkbase Cloud management tools.

## FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## RF Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
