

**Test Positions**

<p>Front Side (Separation distance of 0mm)</p>	<p>Back Side<sup>note</sup> (Separation distance of 0mm)</p>
	
<p>Left Side (Separation distance of 0mm)</p>	
	<p>N/A</p>

Note: Since the shape for this EUT is irregular, so between back side of EUT and phantom can't touch together. Take apart EUT so that the antenna on the back side can touch the phantom(keep separation distance of 0mm).
