RE: CONFIDENTIALITY REQUEST FOR SM6
To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the **block diagram, schematics, parts list, and operational description** required to be submitted with this application be permanently withheld from public review.

These documents contain company proprietary information that if made public would damage our competitive advantage.

Please contact me if there is any information you may need.

Sincerely,

Daniel Lamarca
