Application to Class II Permissive Change

This request is to add new module versions to the FCC ID 2AUGZLICU. The difference between the new module versions and the already certified version is described below.

Explanation:

- No HW and SW modification changes on the original module operated by us
- Changing of the antenna path from the module to the connector
- Addition of external antenna type 4N0.035.500

Thank you for your attention in this matter.

Yours Sincerely,
