

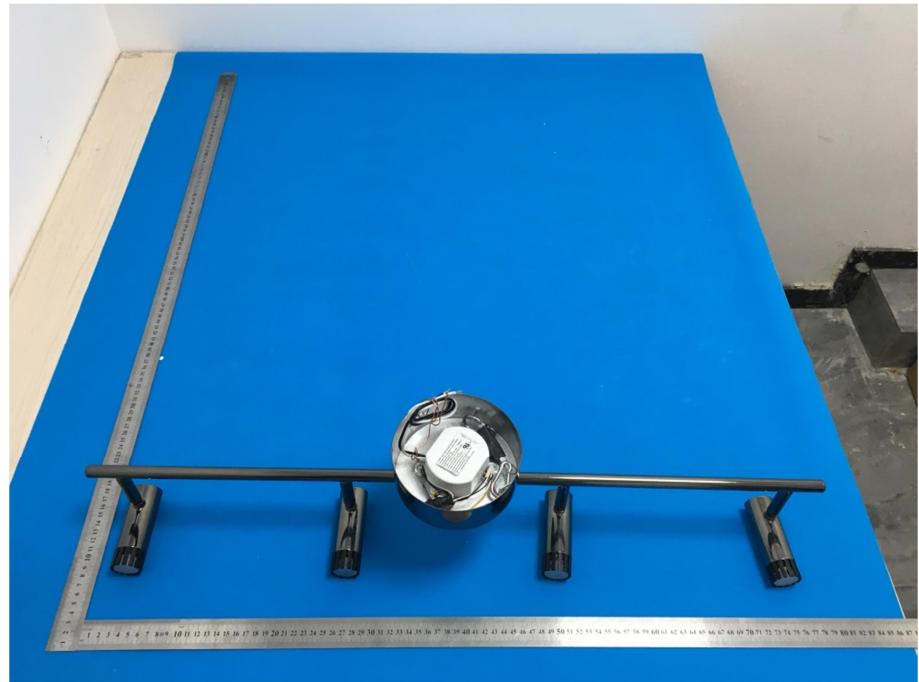

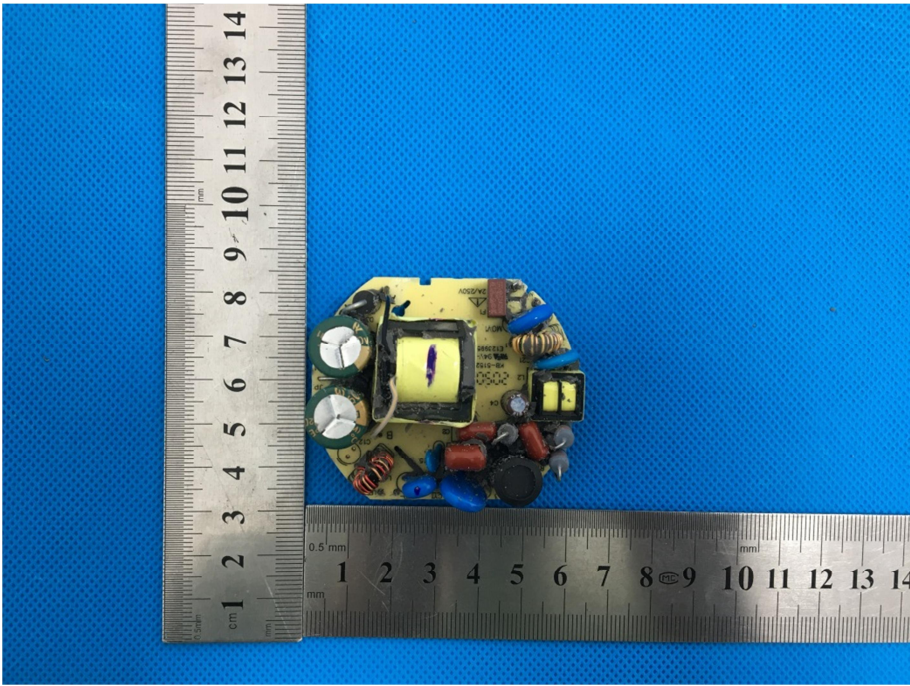

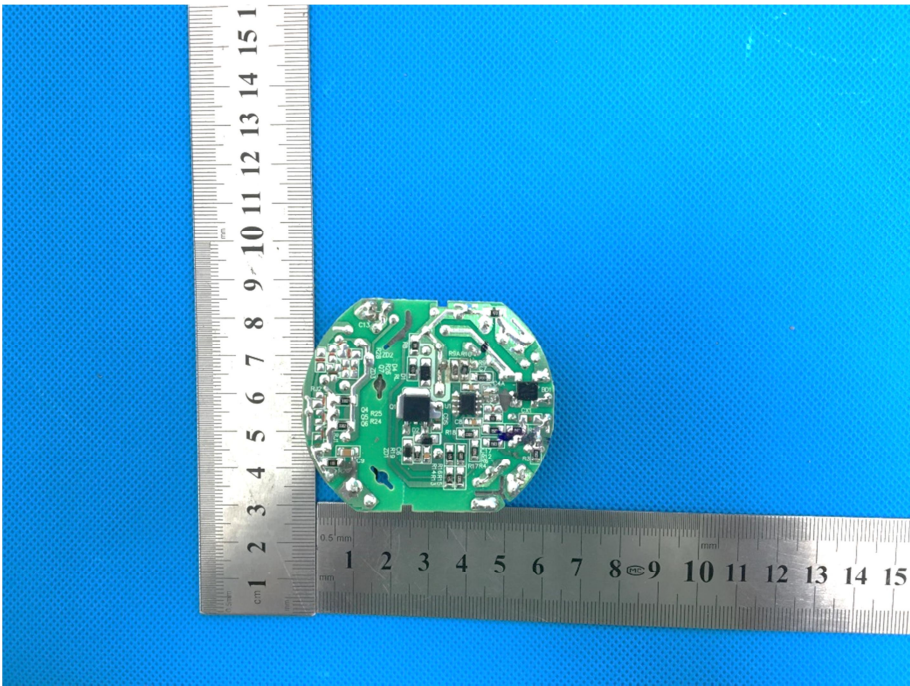

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**EUT Housing and Board
View 1****EUT Housing and Board
View 1**

Solder Board-Component View 1	 A photograph showing the solder side of a circular printed circuit board (PCB) component. The board is yellow and populated with various electronic components, including two large electrolytic capacitors, a transformer, and several resistors. The component is placed on a blue textured surface next to a metal ruler for scale. The ruler shows the component is approximately 10 mm in diameter.
Solder Board-Component View 2	 A photograph showing the solder side of a circular printed circuit board (PCB) component. The board is green and populated with various electronic components, including a central integrated circuit (IC), several resistors, and other surface components. The component is placed on a blue textured surface next to a metal ruler for scale. The ruler shows the component is approximately 10 mm in diameter.
