

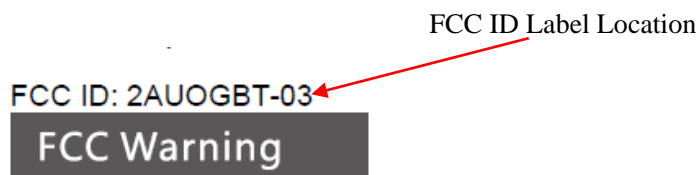

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

FCC ID: 2AUOGBT-03

Specifications: Due to the small size of the device, FCC Identifier will be placed on the packing box and user manual. The label will be readily visible at the time of purchase

Proposed Label Location on EUT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.
