Columbia, MD 21046

Subject: Request for Confidentiality
FCC ID: 2AUQP-EB16MM

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457(d) and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), General Motors LLC ("GM") is requesting that the attached Exhibits 1 through 9 relating to an equipment authorization be provided indefinite confidential treatment and be withheld from public inspection. These Exhibits, described below, falls squarely under Section 0.457(d)(ii) of the Commission's rules, which provides that "[a]pplications for equipment authorizations ... and materials relating to such applications ... have been accepted, or are being accepted, by the Commission on a confidential basis[.]" Accordingly, the attached Exhibits described below are entitled to confidential treatment as a matter of course.

Exhibit 1: eBike Module Schematic Diagram
Exhibit 2: eBike Module Block Diagram
Exhibit 3: eBike Module Theory of Operation
Exhibit 4: eBike Module Antenna Specification
Exhibit 5: eBike Module Test Tune Up procedure

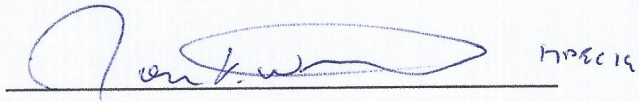

Exhibits 1-5 contain detailed system and equipment descriptions that describe the operation of the subject equipment. GM treats these documents as proprietary GM Confidential Business Information. GM does not customarily release or otherwise provide this confidential information or information like it to the public. describe. Any public disclosure of the above documents would be harmful to GM and would give competitor(s) an unfair advantage in the market.

In addition to Exhibits 1-5, GM is requesting short-term confidentiality for the attached Exhibits 6 through 9 (identified below). GM is requesting that the Commission grant this short-term confidentiality request for Exhibits 6-9 and treat them confidential for 180 days following the date that the FCC certificate is granted. In addition to being materials related to an equipment authorization application (and therefore entitled to confidential treatment under Section 0.457(d)(ii)), Exhibits 6 through 9 are business-sensitive information that GM treats as GM Confidential Business Information until the eBike is marketed publicly.

Exhibit 6: eBike External Photos
Exhibit 7: eBike module Internal Photos
Exhibit 8: eBike & module Test Setup Photos
Exhibit 9: eBike User Manual
