Re: Supersede request for FCC ID: **2AUS4-NFD1**; Granted on **11/18/2021**

To Whom It May Concern:

We regret to inform you that there was a typo under Section 3.1 of the submitted exhibit "Test Report (NII) ver 2". A summary of the maximum conducted powers reported for each sub-band was provided, and the incorrect maximum value for NII-1 was selected. As a result, the grant is not reflecting the correct maximum power for band 5180-5240 MHz.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as Test Report (NII) ver 2. There is no change to the original test results, just a correction to the max power summary.

Original Exhibit	New Exhibit	Difference
Test Report (NII) ver 2	Test Report (NII) ver 3	Revised max power summary under Section 3.1 to correct typo in max U-NII-1 power.

If you have any questions, feel free to contact us. Thank you.

Regards,

Andrea Hsia

Supervisor
