Page 2

**02 Know your watch**

Press and hold multi-function button for three seconds to power on the watch.

Page 3

**03 Charging**

Charge your WatchMeGo smartwatch before using. Use the wall adapter provided in the box with the charging clip as shown below.

Please note the watch will display a battery charging symbol when the clip has been attached properly and the watch is receiving a charge.

Page 4

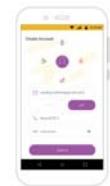

**04 Connecting****Step 1 - Download the app**

Download the WatchMeGo app from Google Play Store or iOS App Store on your mobile phone.

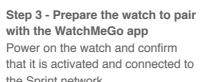

**Step 2 - Create a parent account**

Open the app and click on "Register Now" to create your account. Provide your e-mail, phone number\* and password and follow the instructions.

\*the phone number will be used by the watch to communicate with the app on the parent's smartphone.
