

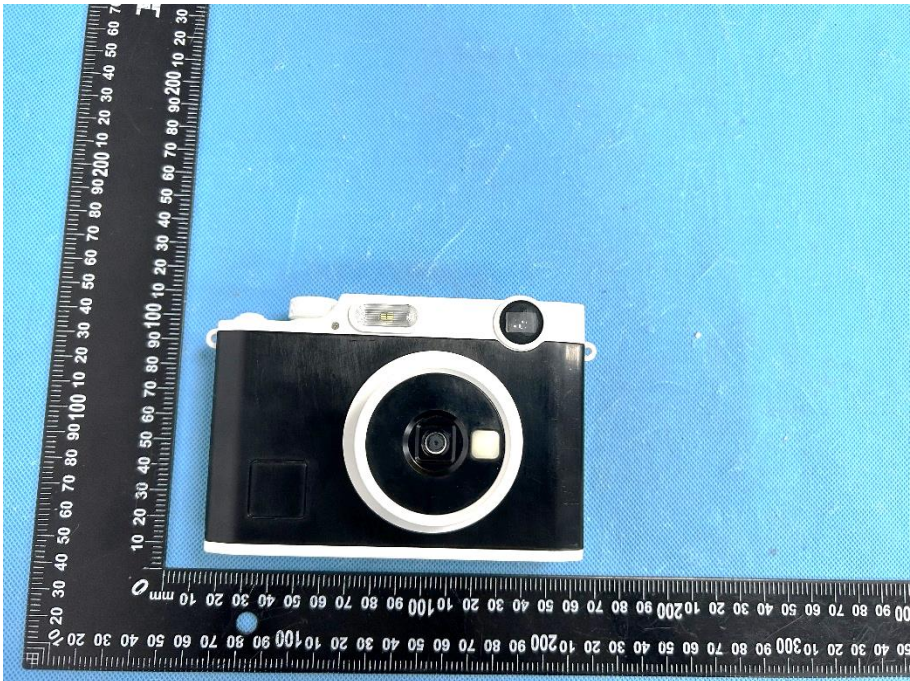

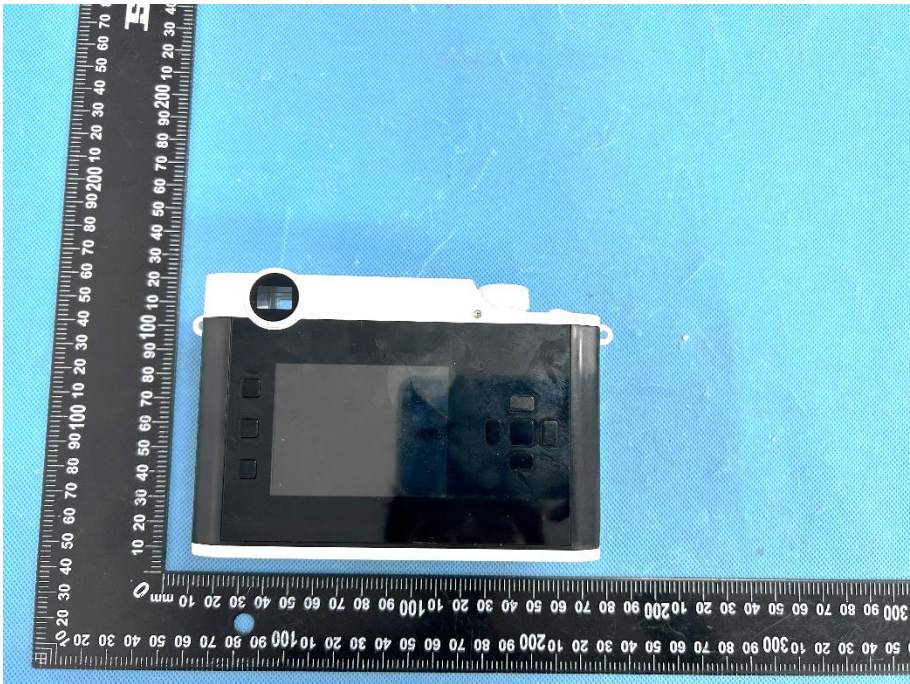

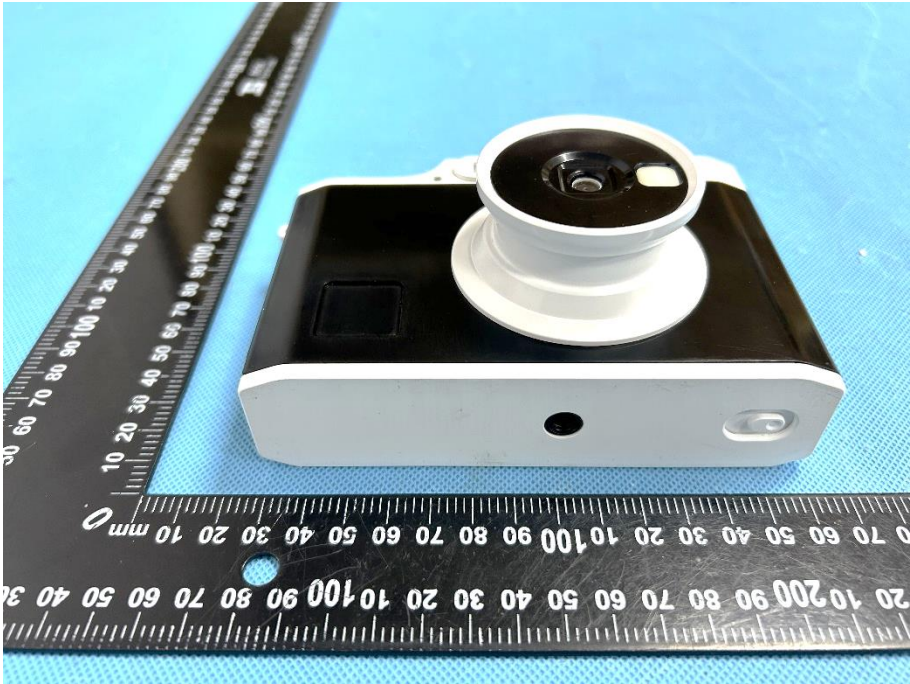

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black and white electronic device, possibly a camera or a sensor, is shown from a top-down perspective. It has a black body with a white circular ring around the lens. A small yellow light is visible on the right side of the device. A black USB cable is coiled next to it. A ruler is placed horizontally below the device, showing measurements in millimeters and centimeters. The background is a light blue textured surface.
EUT View 2	 This view is identical to EUT View 1, showing the same black and white electronic device with a circular lens and a USB cable, placed next to a ruler for scale. The device has a black body with a white circular ring around the lens. A small yellow light is visible on the right side of the device. A black USB cable is coiled next to it. A ruler is placed horizontally below the device, showing measurements in millimeters and centimeters. The background is a light blue textured surface.
