Model: HCP-2TS25E (1#), Z5, HPRT Z5

EUT View 2	 A photograph of a green square electronic component, likely a camera module, placed on a blue background. A black ruler with white markings is positioned vertically to the left of the component. The component features a large circular lens in the center, a small white mark on the left side, and a small rectangular mark on the right side. The text "AUTOFOCUS" is visible on the right side of the lens.
EUT View 3	 A photograph of the same green square electronic component from a different angle, showing the back side. It features a circular lens in the center and a small white mark on the left side. A black ruler with white markings is positioned vertically to the left of the component.
