

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black handheld electronic unit (EUT) and a white USB cable. The device is positioned vertically next to a metal ruler. The ruler has markings in centimeters and inches. The device is black with a silver-colored top section. The USB cable is white and coiled. The background is a blue textured surface.
EUT View 2	 A photograph showing the same black handheld electronic unit (EUT) as in View 1, but without the USB cable. The device is positioned vertically next to a metal ruler. The ruler has markings in centimeters and inches. The device is black with a silver-colored top section. The background is a blue textured surface.
