Re: Request for exemption from ID number placement on product  
FCC ID: 2AUV5IMM1-3

To whom it may concern,

We hereby respectfully request an exemption from the requirement to place the FCC ID number of our product on the product itself. We request the allowance to place it on the product packaging.

Our product is a mouthguard with embedded electronics. It measures 2.5" x 2", with a height of 0.5". We do not feel there is sufficient space to print the FCC ID number directly on the product.

Please refer to the photo of the product below.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Deyo'.
