**Importance:** High

**Inquiry on 11/05/2019 :****Inquiry:**

An applicant is requesting to put their ID label information on the product packaging rather than placing it on the device.

Attached is their request and justification.

Please confirm if this will be acceptable.

Thanks

**FCC response on 11/08/2019**

FCC Rule Part 2.925(f) states "If a device is so small that it is impractical to label it with the FCC Identifier in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, then the FCC Identifier shall be placed in the user manual and must also either be placed on the device packaging or on a removable label attached to the device"
