

1. TEST SETUP PHOTOGRAPHS

1.1. Photo of Radiated Emissions Measurement

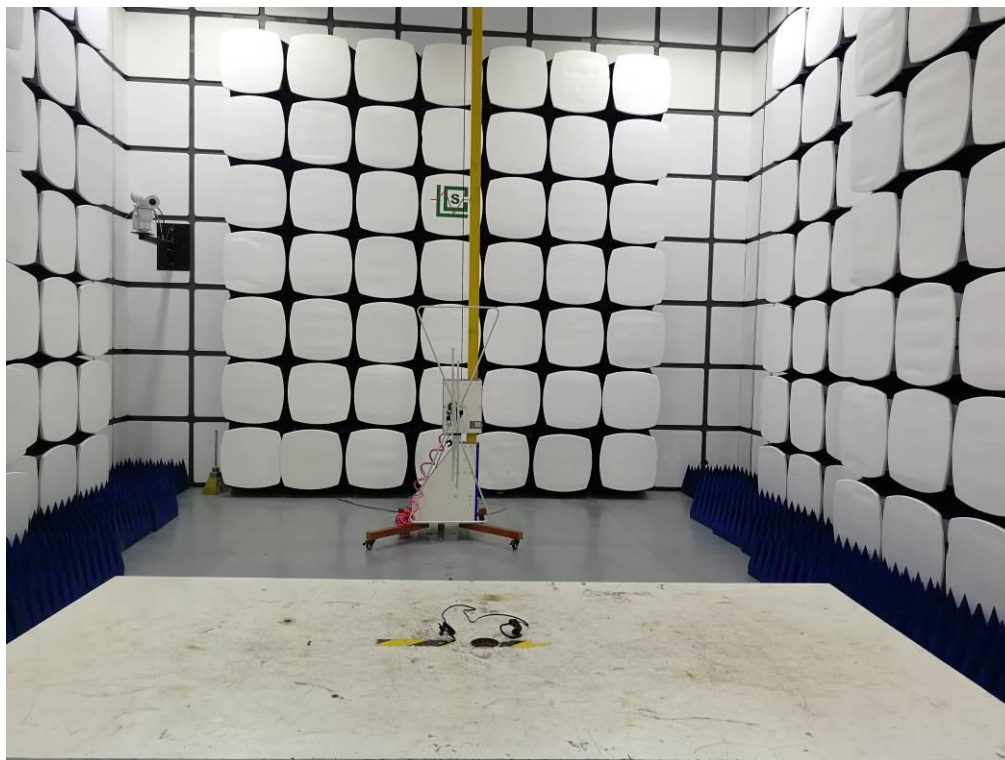

Fig. 1

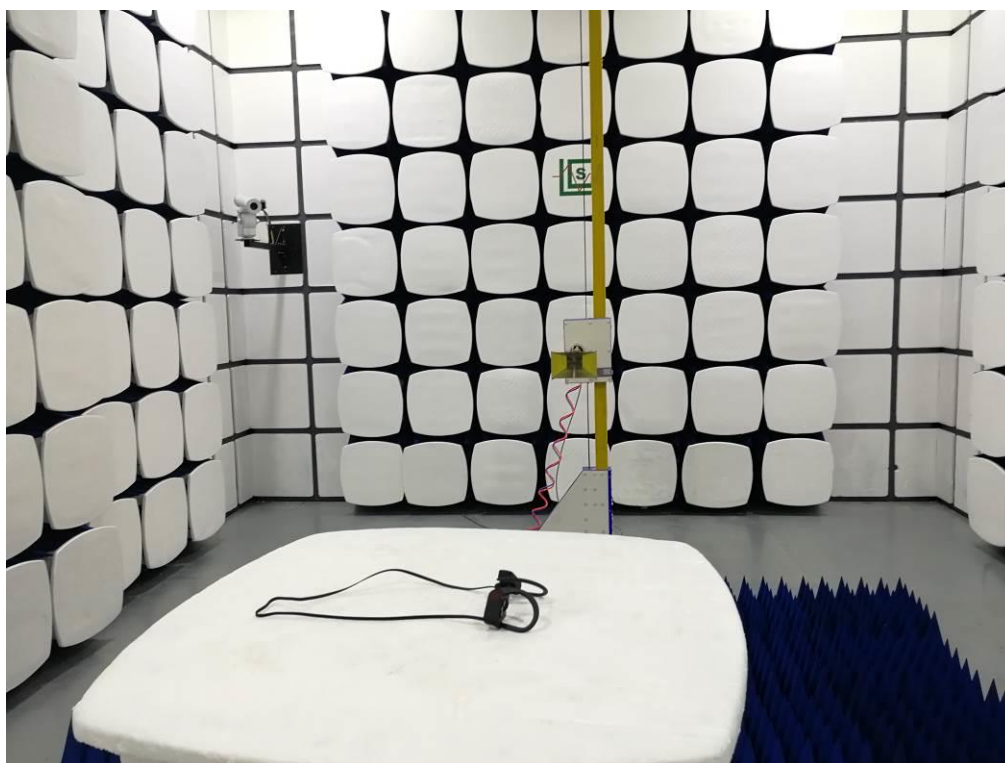

Fig. 2

A black laptop is open on a white, stained table. The screen displays the Windows 7 desktop with a blue background and the Windows logo. To the left of the laptop, two black cables are plugged into the table. To the right, a white power strip is plugged into the table. A black power cord is plugged into a wall outlet in the background. The table is white with many brown stains and a large crack. The background is a dark, textured wall.
