

Test Positions

Front Side (Separation distance of 5mm)  A photograph showing the front side of a black electronic device held in a white plastic test fixture. A ruler on the left indicates a 5mm gap between the device and the fixture's base. The device has a blue label with 'CE' and 'FCC' markings.	Back Side (Separation distance of 5mm)  A photograph showing the back side of the same black electronic device in the test fixture. A ruler on the left indicates a 5mm gap between the device and the base. The device has a blue label with 'CE' and 'FCC' markings.
Left Side (Separation distance of 5mm)  A photograph showing the left side of the black electronic device. The device is labeled 'PocketBook' in white. It is held in the test fixture with a ruler on the left indicating a 5mm gap from the base.	Bottom Side (Separation distance of 5mm)  A photograph showing the bottom side of the black electronic device. It is held in the test fixture with a ruler on the left indicating a 5mm gap from the base.
