

PRODUCT NAME:ROBOT VACUUM CLEANER

INPUT: 24V---1.2A

RATED POWER:50W

FCC ID: 2AV2K-L2250

MODEL: L2250

VOLTAGE:14.4V

CHARGING BASE MODEL: LS-03

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Licensor: xxxx
