Attestation Letter

FCC ID: 2AV6K-KD5B
ISED: 1991B-KD5B
HVIN: KD5B
PMN: Optimass Series
FVIN: KD5B

To Whom It May Concerns,

The BLE Display with the above listed product identification will exclusively used within professional electromagnetic flowmeters manufactured and marketed by KROHNE.

The BLE Display itself is not separately available – it is always fixed mounted with the professionally installed end products marketed as Optimass Series.

Yours sincerely,

Dr. Manuel Stephan Fischnaller, Head of Department Embedded Hardware
