

FCC ID SAMPLE LABEL AND LOCATION

FCC ID: 2AV6N-CS20101

- The FCC label shown is representative of the label that will appear on the SMAT device when in production. Other information may also be included on this label.
- The FCC ID shown on the FCC ID label will be visible at the time of purchase.
- The label is attached using permanent adhesive and not easily removed from the device.
- The device is so small that it is not practicable to place the required compliance statements on the label, and therefore, the information required will be placed in a prominent location in the user's manual.
