| <p>EUT View 5</p> |  A photograph showing a white, rectangular electronic unit (EUT) from a top-down perspective. The unit has a small, rectangular screen or display area in the center. Four wires (green, red, black, and white) are connected to the top of the unit. A black ruler with white markings is placed horizontally below the unit, indicating its size. The background is a blue textured surface. |
| <p>EUT View 6</p> |  A photograph showing the same white, rectangular electronic unit from a different angle, possibly a side or bottom view. The unit is tilted slightly. A black ruler with white markings is placed horizontally below the unit. Several wires (green, red, black, and white) are connected to the unit. The background is a blue textured surface.                                            |
