STREAMING DEVICES

Directions:

1. Pull and discard the battery protector tab from inside the remote sleeve.
2. Insert your streaming remote into the silicone sleeve.
3. Remove Beep button from removable base.

4. Install the included coin cell battery into the Beep button as shown in the image below.

5. Press the Beep button and listen for the beep. Should the remote not beep when the button is pressed, refer to the online help section to pair your button.
6. Peel the liner from the double sided-tape on the removable base and stick the Beep button to a convenient location. We recommend on a nightstand, coffee table, behind your TV, or on top of your streaming box.
7. Anytime you need to locate your streaming remote, press the Beep button and listen for the beep.

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Disposal and Recycling

Dispose of this product and/or its battery separately from household waste, and in accordance with local environmental laws and guidelines.

One (1) Year Limited Warranty

Sideclick Remotes warrants this product against defects in materials and workmanship when used under normal conditions in accordance with assembly and operating instructions for a period of ONE (1) YEAR from the date of retail purchase by the original end-user purchaser. If a defect occurs and we are notified within the Warranty Period, Sideclick will either 1) repair the product at no charge using new or refurbished replacement parts, or 2) exchange the product with a comparable new or refurbished product. Visit www.sideclickremotes.com/pages/warranty-policy for a full list of exclusions and limitations.
