Subject: Application for Change in FCC ID
FCC ID: 2AVL60001101

Dear Application Examiner,

The purpose of this filing is to apply for Change in FCC ID service for a LoRa radio device. The original module is manufactured by Murata Manufacturing Co., Ltd. with FCC ID: VPYCMABZ.

There are no changes in the design, circuitry, or construction with the module, and the documents on file with FCC from the original certification remain unchanged and continue to be valid.

Your efforts in reviewing this application are greatly appreciated. Please contact me if there are questions or additional information needed concerning this request.

Sincerely,
