Columbia, MD 21046

Subject: Request for Permanent Confidentiality, FCC ID: 2AVOB-FH7K2H

To whom it may concern:

In accordance with 47CFR Section 0.457 and Section 0.459 pertaining to confidential material, Nalloy LLC (“Nalloy”) hereby requests that the following confidential information contained within the below identified exhibits/document categories submitted pursuant to radio equipment certification requirements for FCC ID: 2AVOB-FH7K2H be withheld from public inspection as set forth below.

Long-Term Confidentiality

Nalloy requests to hold permanently confidential all information contained within the below identified exhibits/document categories submitted pursuant to radio equipment certification requirements for FCC ID: 2AVOB-FH7K2H.

1. Block Diagram
2. Operational Description
3. Schematics
4. Parts List / Tune-Up Procedure

The above material contains trade secrets and proprietary information as specified by 47 CFR 0.457(d) and technical data, which is not generally known to the public and which is guarded from competitors. The public disclosure of this confidential information would be harmful to our company by unjustly depriving it, relative to its competitors, of competitive advantage resulting from its investment and innovation.

Short-Term Confidentiality

In addition to the above-mentioned documents, pursuant to OET’s Public Notice issued on June 15, 2004 in DA 04-1705, Nalloy requests that the Commission withhold the following documents from public inspection for 180 days after the date the grant of equipment authorization is issued to enable Nalloy to maintain the confidentiality of business sensitive trade secrets and information until the actual marketing of newly authorized devices:

Nalloy LLC

859 Willard Street, Suite 400
Quincy, MA, 02169, USA

1. External Photographs
2. Internal Photographs
3. Test Setup Photographs
4. User Manual

These documents reveal technical and design information that has not been publicly disclosed in marketing materials and is protected by Nalloy as confidential and proprietary trade secrets as specified by 47 CFR 0.457(d).

This information has been disclosed only to those required to maintain its confidentiality, and is not customarily disclosed publicly prior to the commercial release of the device. As a result, disclosure of this information by the Commission prior to commercial release would harm Nalloy by unjustly depriving it, relative to its competitors, of competitive advantage resulting from its investment and innovation. The period of confidentiality requested is necessary to protect the information until the commercial release of the device.

Sincerely,

Mohamed Negm
Compliance Engineer
