I Fit

Snap the left and right earcups into the headband to configure the best fit and sound. The headband adjusts to three sizes (small, medium, large) by positioning the earcups. To remove an earcup, press the earcup post to detach it from the headband.

Setup PS5 / PC

1. Install the wireless USB dongle by sliding it into the USB-A port on top of the base station.

2. Then connect your base to a USB-A port of your console, using the supplied cable.

3. Alternatively, connect the wireless USB dongle to one of the USB-A ports of your console or PC and use the base station only as a charge stand for the headset.

4. Only connect the USB dongle, supplied, to the base station.

I Charging your Headset

You can charge your headset using the supplied USB-C cable or by using the base station.

1. After you have connected the base station to your console or PC, place the headset into the base as shown.

The LED of the base station will turn **red** to inform you the headset is connected to the base station and is charging. When charging is complete, the LED will turn off.

Fully charging the headset, using the base station, can take up to 4 hours.

Note: If the base station is connected to a console or PC the headset will turn on automatically when it is removed from the base station.

2. You can also charge the headset by connecting the USB-C charging cable directly to the left earcup. Use only the cable provided with the headset and charge the headset directly from your console or PC.

Using a cable, it takes just 2 hours to fully charge the headset. Note the following battery status indications on the left earcup:

- Red LED – low battery and charging
- Yellow LED – medium battery and charging
- Green LED – high battery and charging
- LED Off – the battery is fully charged

| Power on or off

Press and hold the on/off button for 3 seconds.

| Adjust volume

Increase or decrease the volume using the rotary dial. When maximum volume is reached, you will hear a prompt tone indicator.

| Mute

The microphone has a flip-to-mute feature:
If the microphone arm is down, the mic is active;
If the microphone arm is up, the mic is muted.

| Wireless modes

Your headset has three different modes of wireless connection:

1. USB (Game) mode:

This headset mode only connects with the wireless USB dongle. Bluetooth connections are disabled and you will not be disturbed while gaming.

2. Dual mode:

This mode allows a dual connection with the wireless USB dongle and a Bluetooth device at the same time. Note that you can switch between console/PC and Bluetooth audio in this mode but you cannot hear both sources at the same time.

When you receive a call, audio from the wireless dongle will stop and you will hear the incoming call notification. Use the Multifunction button to answer and end calls.

3. Bluetooth mode:

This mode allows communication only with a Bluetooth device. The connection to the wireless dongle is stopped.

| How to switch modes?

To switch from one mode to another, press the mode button once. After three single presses the headset mode will be back to the first mode.

I How to pair your headset?

• Wireless USB Dongle:

The Headset and wireless USB Dongle are already paired out of the box.

If you need to do a new pairing, for any reason, make sure:

- The USB-A wireless dongle is connected to your console or PC,
- Turn off the Headset.

Press and hold the power On/Off button for more than 6s until to hear the Prompt voice: "Pairing USB". The Headset LED will flash Purple during the pairing process.

When pairing is successful you will hear the prompt voice:

- "Connected" in USB mode; or
- "USB connected" in Dual mode

If pairing is unsuccessful, you will hear the prompt voice: "USB Pairing Failed". In this case repeat the pairing process again making sure the above conditions are followed.

• Bluetooth

To pair your headset with a Bluetooth device, make sure your headset power is on.

Press and hold the Mode button for more than 6s until to hear the Prompt voice: "Pairing Bluetooth". Headset LED will flash Blue during pairing process.

Open the 'Settings' menu on your mobile device, go to Bluetooth and turn ON the Bluetooth connection. Look for RIG 900 MAX in the list of devices and select it.

If pairing is successful, you will see the message on your device but will also hear a prompt voice, through the headset:

- "Bluetooth connected" in Dual mode; or
- "Connected" in Bluetooth mode

If Bluetooth pairing is unsuccessful, you will hear the prompt voice: "Bluetooth Pairing Failed".

In this case, turn off your device's Bluetooth connection, and power off the headset, and repeat the pairing process again making sure the above conditions are followed.

ATTENTION - when in Dual mode you are connected to two devices (wireless USB Dongle and a Bluetooth device) but note the USB Dongle has priority over the Bluetooth.

If you answer an incoming call, for instance, the communication with the USB Dongle will stop and the incoming call will be heard.

When the call is complete, the headset will automatically switch back to the USB Dongle.

• Multi-function button

With this button you can, with a single press:

- Play/Pause music or other audio/video apps,
- Answer an incoming call when your Bluetooth connection is active,

Your headset remembers the latest Bluetooth device connected so once you have set-up your device it will remember it even if you switch between modes or power on/off your headset.

With this button you can with, a Long press: 6 seconds.

- Activate your mobile device's voice assistant, when connected to Bluetooth,
- Reject a call.

I How to customize your experience?

To fully customize your headset, please download the Companion APP RIG 900 MAX NAVIGATOR from the Google Play Store (for Android devices) and App Store (for iOS devices). The APP will enable you to:

- Customize up to three audio profiles quickly, using the Classic mode, or more precisely through the Expert mode:
 - Your microphone gain,
 - Your microphone monitoring level,
 - Activate ear protection which limits the maximum volume of the headset,
 - Your equalizer settings (with pre-set configurations),
 - Define the default mode when you power on your headset,
 - Reduce the prompt tones and voices interaction during headset use.
- Visualize tutorials to know how the APP and headset work.
- Test your headset via a test mode to check that all: buttons, microphone and speakers are working as they should.
- Choose your Voice Prompt language (from the 6 supported languages).
- Visualize tutorials to know how the APP and headset work.
- Test your headset via a test mode to check that all: buttons, microphone and speakers are working as they should.
- Choose your Voice Prompt language (from the 6 supported languages).

I Please note:

- This headset uses 2.4GHz radio-frequency bandwidth. When PlayStation®5, and other products, use the 2.4GHz radio-frequency band width there is a possibility that wireless interference occurs.

- Nacon have validated this headset with PlayStation®5 1000&2000 series consoles including wireless testing.
- When using a PlayStation®5 1000 series console, it is recommended to insert the USB dongle, of this headset, into the USB port on the front of the PlayStation®5.
- Only connect the supplied RIG900MAX HS USB dongle to the charging cradle.

Reporting Security Issues (UK only)

Nacon is committed to ensuring the security of its customers by protecting their personal information from unwarranted disclosure. If you feel that there is, or has been, a security issue then please follow this process:

1) Information on how to report security issues

Please email Nacon at support@nacongaming.com with the following information:

- Product name;
 - Date of purchase;
 - Location of purchase;
 - Details of the issue;
 - The location the vulnerability, or security concern, was discovered;
 - The detailed description of the steps needed to reproduce the vulnerability or security concern which may include screen shots;
- You will receive an acknowledgement, of the security issue report, as soon as practicable and status updates until the resolution of the reported security issue.

Please use the email title: 'Security issue'

2) Information on minimum security periods

Security updates will be available for 2 years, from the date of purchase, up to the 31st December 2026.

This process is free of charge to the end user.

3) Disclosure to third parties

If the issue reported affects a third-party vendor, or library, then Nacon reserves the right to forward the relevant details to that party without giving prior notice.

I Technical specifications

- Product dimensions:
 - Headset: 194x204x94mm
 - Base station: 160x110x35mm
- Net weight headset: 294g
- Net weight base station: 310g without USB dongle / 320g with USB dongle
- Battery capacity: 850mAh
- Headset input: 5V $\overline{=}$ 800mA
- Base station input: 5V $\overline{=}$ 500mA
- Approximate charging times:
 - Directly to headset = 2hrs
 - Via base station = 4hrs

We recommend that you use the cable provided to connect to the base station or to charge the headset directly. Connect the cable to a free USB port on your PlayStation®5 console or your PC.

If you are using an alternative power source then please respect the input voltage and current indicated here.

The power delivered by the charger must be between min 2.5 Watts required by the radio equipment, and max 4.25 Watts in order to achieve the maximum charging speed.

EN. When this crossed-out wheeled bin symbol is attached to a product it means that the product is covered by European Regulation (EU) 2012/19/EU. Please check your local area rules for the separate collection of electrical and electronic products. Please act according to your local rules and do not dispose of your old products with your normal household waste. Correct disposal helps to prevent negative consequences for the environment and human health.

FR. La présence de ce symbole de poubelle barrée signifie que ce produit est couvert par le règlement européen (UE) 2012/19/UE. Veuillez vous renseigner sur votre système local de collecte séparée des équipements électriques et électroniques. Merci de respecter la réglementation locale et de ne pas jeter vos anciens appareils avec les ordures ménagères ordinaires. Une mise au rebut correcte de votre ancien appareil contribue à éviter les effets néfastes potentiels sur l'environnement et la santé humaine.

DE. Dieses Symbol der durchgestrichenen Mülltonne bedeutet, dass dieses Produkt unter die europäische Verordnung (EU) 2012/19/EU fällt. Bitte informieren Sie sich über das örtliche Abfalltrennsystem für elektrische und elektronische Produkte. Bitte richten Sie sich nach den in Ihrer Region geltenden Vorschriften für die Abfalltrennung und entsorgen Sie Ihre alten Produkte nicht mit Ihren normalen Haushaltsabfällen. Die Entsorgung alter Produkte hilft, Umweltschäden zu verhindern und Ihre Gesundheit zu schützen.

NL. De aanwezigheid van dit symbool van een doorkruiste vuinisdak op wielen betekent dat dit product valt onder de Europese Verordening (EU) 2012/19/EU. Ga na welk lokaal inzamelpunt er bestaat voor elektrische en elektronische producten. Houd u aan de lokale regelgeving en gooi uw afgedankte producten niet bij het huishoudelijke afval. Een correcte afvoer van uw afgedankte product voorkomt mogelijke negatieve gevolgen voor het milieu en de menselijke gezondheid.

ES. La presencia de este símbolo de cubo de basura tachado significa que este producto está cubierto por el Reglamento Europeo (UE) 2012/19/UE. Infórmese sobre el sistema local de recogida selectiva de productos eléctricos y electrónicos. Actúe de acuerdo con la normativa local y no elimine los productos viejos con la basura doméstica normal. La eliminación correcta de su producto antiguo ayuda a evitar posibles consecuencias negativas para el medio ambiente y la salud humana.

IT. La presenza del simbolo del bidone barrato indica che questo prodotto è coperto dal Regolamento europeo (UE) 2012/19/UE. Informarsi sul sistema di raccolta differenziata locale per i prodotti elettrici ed elettronici. Agire rispettando le regole locali e non smaltire i vecchi prodotti nei normali rifiuti domestici. Il corretto smaltimento del vecchio prodotto contribuisce a prevenire potenziali conseguenze negative sull'ambiente e sulla salute umana.

PT. A presença deste símbolo de contentor de lixo com rodas barrado com uma cruz significa que este produto é abrangido pelo Regulamento Europeu (UE) 2012/19/UE. Informe-se sobre o seu sistema local de recolha seletiva de produtos elétricos e eletrónicos. Aja em conformidade com as regras locais e não descarte os seus produtos antigos juntamente com o lixo doméstico normal. A eliminação correta do seu produto antigo ajuda a evitar potenciais consequências negativas para o meio ambiente e para a saúde humana.

PL. Obecność tego przekreślonego symbolu pojemnika na kółkach oznacza, że produkt ten jest objęty europejskim rozporządzeniem (UE) 2012/19/UE. Prosimy o zapoznanie się z lokalnym systemem selektywnej zbiórki produktów elektrycznych i elektronicznych. Postępuj zgodnie z lokalnymi przepisami i nie wyrzucaj starych produktów razem ze zwykłymi odpadami domowymi. Prawidłowa utylizacja starego produktu pomaga zapobiegać potencjalnym negatywnym konsekwencjom dla środowiska i zdrowia ludzi.

RIG

REGULATORY COMPLIANCE INFORMATION INFORMATIONS DE CONFORMITÉ RÉGLEMENTAIRE

1 - FCC DECLARATION OF CONFORMITY

EN. FCC: Declaration of Conformity

This product complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receivers connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirements.

The device can be used in portable exposure conditions without restriction.

2 - IC STATEMENT

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage.
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

3 - EIRP/ DECLARATION OF CONFORMITY (UK + EU)

EN. EIRP STATEMENT

The EIRP power values and the Frequency bands relating to this product, identified in the list below, comply with the requirements of Directive 2014/53/EU:

EIRP: <13dBm
Frequency band: (2,402 ~ 2,480) GHz

EU DECLARATION OF CONFORMITY

Nacon hereby declares that the radio equipment type complies with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following web address: <https://my.nacongaming.com/support>.

Link to the full product declaration : <https://my.nacongaming.com/support>

UK DECLARATION OF CONFORMITY

UK RE Regulation 'Informal DoC' statement

Hereby Nacon declares that this product is in compliance with the relevant statutory requirements. For details please access the following web address : <https://my.nacongaming.com/fr-FR/support>
The frequencies used by the wireless networking feature of this product are the 2.4GHz and/or Bluetooth® range. Wireless frequency band and maximum output power:

Frequency Band: 2.402GHz ~ 2.480Ghz
Maximum Output Power: < 13dBm / 20mW

FR. DÉCLARATION EIRP

Les valeurs de puissances EIRP et des bandes de Fréquence relatives au présent produit, identifié dans la liste ci-après, sont conformes aux exigences de la directive 2014/53/UE:

EIRP: <13dBm
Bande de fréquence : (2,402 ~ 2,480) GHz

EU DECLARATION DE CONFORMITÉ

Par la présente Nacon déclare que l'équipement radioélectrique est conforme à la directive 2014/53/UE. Le texte complet de la déclaration UE de conformité est disponible à l'adresse internet suivante : <https://my.nacongaming.com/support>.

Lien de la déclaration complète : <https://my.nacongaming.com/support>

DE. EIRP EU-KONFORMITÄTSERKLÄRUNG

Die EIRP-Leistungswerte und die Frequenzbänder für dieses Produkt, die in der nachstehenden Liste aufgeführt sind, entsprechen den Anforderungen der Richtlinie 2014/53/EU:

EIRP: <13dBm
Frequenzband : (2,402 ~ 2,480) GHz

EU-KONFORMITÄTSERKLÄRUNG

Nacon erklärt hiermit, dass die Funkanlage der Richtlinie 2014/53/EU entspricht. Der vollständige Text der EU-Konformitätserklärung kann unter der folgenden Internetadresse eingesehen werden: <https://my.nacongaming.com/support>.

Link zur vollständigen Produktdeklaration: <https://my.nacongaming.com/support>

NL. EIRP-VERKLARING

De EIRP-vermogenswaarden en de frequentiebanden met betrekking tot dit product, zoals vermeld in de onderstaande lijst, voldoen aan de eisen van Richtlijn 2014/53/EU:

EIRP: <13dBm
Frequentieband: (2,402 ~ 2,480) GHz

EU-VERKLARING VAN OVEREENSTEMMING

Nacon verklaart bij deze dat de installatie voor radioverbinding voldoet aan de richtlijn 2014/53/EU. De volledige EU-conformiteitsverklaring is te raadplegen op de volgende website: <https://my.nacongaming.com/support>.

Link naar de volledige productverklaring: <https://my.nacongaming.com/support>

ES. DECLARACIÓN

Los valores de potencia del IPESI y las bandas de frecuencias relacionadas con este producto, identificadas en la lista siguiente, cumplen los requisitos de la Directiva 2014/53/UE:

EIRP: <13dBm
Banda de frecuencia : (2,402 ~ 2,480) GHz

DECLARACIÓN DE CONFORMIDAD DE LA UE

Mediante la presente, Nacon declara que el equipo radioeléctrico cumple la directiva 2014/53/UE. El texto integral de la Declaración de conformidad UE puede consultarse en el sitio siguiente web: <https://my.nacongaming.com/support>.

PL. OŚWIADCZENIE EIRP

Wartości mocy EIRP i pasma częstotliwości odnoszące się do tego produktu, określone w poniższym wykazie, są zgodne z wymogami dyrektywy 2014/53/UE

EIRP: <13dBm
Częstotliwości : (2,402 ~ 2,480) GHz

DEKLARACJA ZGODNOŚCI UE

Niniejszym Nacon oświadcza, że sprzęt radiowo-elektryczny jest zgodny z Dyrektywą 2014/53/UE. Pełny tekst deklaracji zgodności UE jest dostępny pod następującym adresem internetowym: <https://my.nacongaming.com/support>.

Link do pełnego tekstu deklaracji produktu: <https://my.nacongaming.com/support>

4 - EU WHEELIE BIN STATEMENT

EN. This product contains batteries covered by the European Regulation (EU) 2023/1542 which cannot be disposed of with normal household waste. Please check your local area rules for the separate collection of batteries because correct disposal helps to prevent negative consequences for the environment and human health.

FR. Votre produit contient une batterie qui relève du règlement européen (UE) 2023/1542 et ne peut donc pas être jetée avec les ordures ménagères. Merci de vous renseigner sur les règles locales de collecte séparée des batteries, car une mise au rebut correcte contribue à éviter les effets néfastes sur la santé humaine et l'environnement.

DE. Ihr Produkt enthält Batterien, die gemäß der Europäischen Verordnung (EU) 2023/1542 nicht mit dem normalen Hausmüll entsorgt werden dürfen. Bitte informieren Sie sich über die örtlichen Vorschriften zur getrennten Sammlung von Batterien, da eine ordnungsgemäße Entsorgung dazu beiträgt, negative Folgen für die Umwelt und die menschliche Gesundheit zu vermeiden.

NL. Uw product bevat batterijen die voldoen aan de Europese verordening (EU) 2023/1542 en die niet met het huishoudelijk afval mogen worden weggegooid. Informeer naar de lokale regelgeving betreffende gescheiden inzameling van batterijen aangezien een juiste afvalverwerking bijdraagt aan het voorkomen van negatieve gevolgen voor het milieu en de volksgezondheid.

ES. Tu producto contiene pilas que cumplen la normativa europea (UE) 2023/1542 y no deben desecharse con la basura doméstica. Por favor, infórmese sobre la normativa local en materia de recogida selectiva de las baterías, ya que la eliminación correcta ayuda a prevenir consecuencias negativas para el medio ambiente y la salud humana.

IT. Il tuo prodotto contiene batterie conformi al regolamento europeo (UE) 2023/1542 e non deve essere smaltito con i rifiuti domestici. Informarsi sulle regole locali sulla raccolta differenziata delle batterie, poiché lo smaltimento corretto contribuisce a prevenire le conseguenze negative per l'ambiente e la salute umana.

PT. O teu produto contém pilhas que estão em conformidade com o Regulamento Europeu (UE) 2023/1542 e não devem ser eliminadas juntamente com o lixo doméstico. Informe-se sobre as regras locais relacionadas com a recolha seletiva de baterias, pois a eliminacao correta das baterias ajuda a evitar consequencias negativas para o ambiente e saude humana.

PL. wój produkt zawiera baterie, które są zgodne z europejskim rozporządzeniem (UE) 2023/1542 i nie mogą być wyrzucane razem z odpadami domowymi. Prosimy poinformować się w zakresie lokalnych przepisów dotyczących selektywnej zbiórki baterii w celu ich prawidłowej utylizacji, aby zapobiegać negatywnym skutkom dla środowiska i chronić zdrowie ludzi.
