

Subject: Validity of Test Results from Testing / Certification of the Integrated Module

To Whom It May Concern:

We, Astronautics Corporation of America, located at 135 W. Forest Hill Ave. Oak Creek Wisconsin, USA, do hereby declare that that the test results from conducted tests applied to the radio modules:

Manufacturer: Sierra Wireless

Model: EM7565

FCC ID: N7NEM75

IC: 2417C-EM75

Manufacturer: Sparklan

Model: WPEQ256ACNRBI

FCC ID: RYK-WPEQ256ACN

IC: 6158A-WPEQ256ACN

which is incorporated in our host equipment:

Manufacturer: Astronautics Corporation of America

Model: AEC115

FCC ID: 2AVRR-AGCS-AEC115

IC: 25923-AEC115

and as reported in module test report(s):

Report Number: FG791919A, Issue Date: 10/12/2017 (Technology e.g Cellular)

Report Numbers: FG791919B parts 1 to 20, Issue Date: 10/13/2017 (Technology e.g Cellular)

Report Number: FG791919C, Issue Date: 10/13/2017 (Technology e.g Cellular)

Report Numbers: FG791919D parts 1 & 2, Issue Date: 10/12/2017 (Technology e.g Cellular)

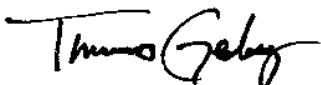

Report Number: FA660602, Issue Date: Sept. 14, 2016 (Technology e.g WiFi)

Report Number: FA660602-02, Issue Date: Nov. 27, 2019 (Technology e.g WiFi)

Report Number: FA660602-02AN, Issue Date: Nov. 27, 2019 (Technology e.g WiFi)

accurately represent the test results under the new conditions when the identified radio module is integrated in the identified host equipment. By integration of the said radio module into the identified host equipment no changes were made to it or by external adaptation circuitry that impacts the validity of the results of the original module's test reports; hence conducted signal measurements in the above listed reports also apply to the Product/Model: AEC115.
