

Date: 04/Aug/2022

To whom it may concern,

I, the undersigned, Eric Fauvarque, legal representative of Owandy Radiology S.a.s

DECLARE

- Owandy Radiology is the private label of the wireless remote control for medical device (dental radiology intraoral system enabled to wireless remote control) under the name Owandy-RX DC.
- The wireless remote control for Owandy-RX DC and the wireless remote control for x-mind dc are the same device.
- No change has been introduced in the wireless remote control.
- The wireless remote control for x-mind dc is manufactured by de Götzen S.r.l. with FCC ID # 2AZ78WDC1 (date of Grant: 6/1/2022), and test reports nr. AR22-0073493-02 and AR22-0073494-02.
- Owandy Radiology will proceed asking FCC grant with new FCC ID # 2AVTNWDC1 for the private label wireless remote control
