Re: Applicant: Ergotron
FCC ID: reg. no. 0029266434
Part 2.933(b) Change in Identification of Equipment

Ergotron requests a change in identification of a currently certified device under Part 2.933(b).

The original equipment identification is FCC ID: Z64-CC3235MOD
The original Grantee: Texas Instruments Incorporated. was granted approval on 7/30/2019.

The original test data filed by Texas Instruments continues to be representative of the newly identified device. There are no changes to the hardware or software.

This change in identification is requested for the newly identified device, FCC ID:2AVU2-C52XXXX1, which is physically and electrically identical as defined by Part 2.907, to the originally approved module.

Photographs as required under Part 2.933(5) and FCC ID label are submitted with this request.

Please let us know if you might require anything further to assist with your review of this Change in Identification of Equipment.
