

# Appendix 1 FCC ID Label & Label Location

Model: YK-MH-701A

**Product Name: Ultrasonic Humidifier**

Model Number: YK-MH-701A

Voltage: 110/120V Frequency: 50/60Hz

Power: 28W Tank Capacity: 7L

Maximum Mist Output: 300mL/h

Product Size: 730x265x265mm

Noise: ≤35dB(A)

FCC ID: 2AW9NYK-MH-701A

This device complies with part 15 of the FCC Rules.  
Operation is subject to the following two conditions: (1)  
This device may not cause harmful interference, and (2) this  
device must accept any interference received, including  
interference that may cause undesired operation.
