Re: Supersede request for FCC ID: **2AWA7-REDEYE-S**; Granted on **06/02/2020**

To Whom It May Concern:

We regret to inform you that due to the **test facility address have typo**, we have submitted the wrong **RF Exposure info report** exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as **RF Exposure info report_Rev1**.

If you have any questions, feel free to contact us. Thank you.
